- 1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
- 2. Fold the cover insert in half, with the text on the outside.
- 3. Insert the cover insert in the CD case cover.
- 4. Cut out the tray insert, on page 2, around the outer perimeter.
- 5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
- 6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
- 7. Remove the tray from the case.

- 10. Please appropriately discard this portion and the scrap bits of paper.

The Lord Of Death And The Queen Of Life

A doctor, an architect, an engineer, and a geologist step into a space car. In their new invention, they set off on an expediton to Mercury, planning to visit Venus on the return voyage. On Mercury they find a strange city eerily abandoned. Sculptures of giant figures alarm them. In a building they discover a machine. The engineer gets it running, and blaring out of the machine a thundering voice speaking Mercurian begins to sound in a way that conveys to them that it is telling a story. After an enormous effort the men translate the audio book. Here is the story translated from the Mercurian's recording explaining what happened to him, and the story of the space travelers of what happened next. (Summary by A. Gramour)
